Canada Post Corporation Strategic Review
330 Sparks Street (HCCR)
Ottawa, Ontario
K1A 0N5

To Whom it May Concern:

The Rural Municipality of Buchanan No.304 made the following Resolution at their July 02,2008 Regular Meeting of Council:

162/2008

“That a letter of support be written to the Canada Post Corporation Strategic Review to save universal, public postal service and to not support deregulation of postal services.”

Carried.

The municipality currently uses the local post office on a daily basis, mailing letters, assessment and tax notices, receipts and payments, etc. The office also receives large volumes of correspondence from ratepayers, local retailers, municipal business, etc. and all postage and supplies are purchased through the local outlet. The municipality hopes to obtain this convenient and reliable service as is, and opposes postal deregulation.

Please contact the municipal office should you have questions with any of the above.

Sincerely,

Twila Hadubiak,
Administrator
