

Cardston County

July 15, 2008.

**Canada Post Corporation Strategic Review,
330 Sparks Street (HCCR),
OTTAWA, Ontario. K1A 0N5.**

Dear Sir/Madam:

I am responding on behalf of Cardston County Council regarding the letter sent from Denis Lemelin, National President of CUPW.

Cardston County has several smaller Communities within its jurisdiction. We would not like to see any of the Canada Post services pulled from these Communities, as the Post Office is a vital and important anchor to keep individuals using other services in their Communities.

Cardston County Council made a motion in Council to oppose the deregulation of Canada Post and are requesting the Government of Canada hold Public Hearings and properly consult with the public, which includes the citizen's of Cardston County. We look forward to hearing from you in the near future concerning our request.

Yours truly,

**Murray L. Millward,
Chief Administrative Officer.**
