

Aug. 19, 2008

Dear Sir,

This letter is in response to the, "Hands Off My Post Office." I say NO and please leave our Postal Service alone. It is working well the way it is. Never try fixing things that aren't broken. Has not Mr. Roper have enough to do as to create a new job. Please leave our Postal Service alone.

I'm saying NO to Postal Deregulation

Thank You,  
Beverly Carson.
