Canada Post Corporation Strategic Review
330 Sparks Street (HCCR)
Ottawa, Ontario
K1A 0N5

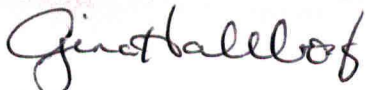

Dear Sir:

The Village of Chaplin Council has been made aware that a review is being done of our public post offices and these post offices are facing the possibility of deregulation. We also understand that these reviews are being done without any public hearings.

Our Council feels that our government should not be making decisions about our public post office until it has properly consulted the public. Postal deregulation will lead to post office closures, less service, fewer jobs and higher postal rates for the public and small business.

Therefore, Council has resolved to send a letter to the Canada Post Corporation Strategic Review opposing deregulation of Canada Post and insist that the government hold public hearings and properly consult with the true owners of Canada Post – the Public.

Sincerely,

Gina Hallborg
Administrator
