To Whom it May Concern:

We appreciate the current way our postal system works. It is a valued service that works very well for the people.

The Post Office in this community serves not only as a place to send and receive mail but a place to pay bills as well, through the money order system.

We feel that the current postal system is the way to go, we strongly disagree with any changes to lessen the service.

Thank you for your consideration on this matter.

Sincerely,

Town of Point Leamington

Mayor Rex Thompson
