Attention: Denis Lemelin, National President

Attached is a certified copy of a resolution that was passed at our July 8, 2008 Regular Council Meeting in regard to deregulation of our public post office.

We are opposed to this and would like to note that the Post Office in our township is a vital part of our community and we would like things to remain status quo.

Please keep us up to date on what transpires.

Yours truly,

Lynne Duguay

Motion Number *#312*
Moved by: *Shelly Baelong*
Seconded by: *Lee Mason*

Date: July 8, 2009

WHEREAS the Canada Post Corporation Strategic Review, which was launched by the federal government on April 21, 2008, is looking at deregulating our public post office (ie reducing or removing Canada Post's exclusive privilege on letters)

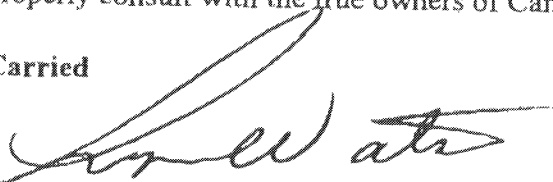

WHEREAS it will become increasingly difficult for our public post office to provide affordable service to everyone, no matter where they live, if the government erodes or eliminates the very mechanism that funds universal postal service-the exclusive privilege.

WHEREAS postal deregulation in other countries has led to post office closures, less service, fewer jobs and higher postal rates for the public and small businesses.

WHEREAS the government is not holding public hearings as part of its strategic review or adequately consulting with the real owners of the post office-the public.

BE IT RESOLVED THAT the Township of Macdonald, Meredith & Aberdeen Additional send a letter to the Canada Post Corporation Strategic Review opposing deregulation of Canada Post and insisting that the government hold public hearings and properly consult with the true owners of Canada Post-the public.
