Canada Post Corporation Strategic Review  
330 Sparks Street (HCCR)  
OTTAWA, ON K1A 0N5

Attention: Advisory Panel

The Council of the Municipal District of Peace No. 135 would like to request that the Canada Post Corporation Strategic Review ensure that adequate public consultation is undertaken, including holding public hearings. It is absolutely essential that the general public be fully informed of the strategic review and be given ample opportunity to participate.

If the Strategic Review is to include the possibility of deregulation within its mandate, it is felt that the following issues must be fully addressed:

- the provision of comparable universal postal service at a uniform rate is paramount
- will deregulation result in higher postage rates and/or reduced service?

Your consideration of the Municipal Districts' comments is appreciated.

Yours truly,

Lyle McKen, C.A.O.  
M.D. of Peace No. 135
