Canada Post Corporation Strategic Review
330 Sparks Street (HCCR)
Ottawa, Ontario
K1A 0N5

Dear Sir/Madam,

Small community, any province is losing it's identity easily enough without further adding to the list the lose of Canada Postal Service to privatized business.

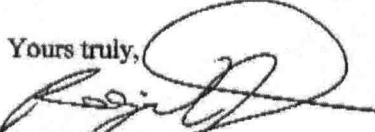

To privatize could lead to fewer jobs, slower delivery service, higher postal rates.

Canada Post belongs to the Canadian people does it not? Therefore would it not be fair and just to ask the Canadian people their opinion or views on this matter? How would a few chosen individuals sitting on a "board" really know the opinion or views of other people?

It may be a wise thing to have a Canada wide survey on privatization of postal service.
That way everyone has been given the opportunity to give their opinion on this matter.
Or better yet!

Why not leave something alone that isn't broken ... Canada Post is not broken DON'T "fix" it.

Yours truly,

Reginald Jahn
Village Mayor
