Dear Ms. Greene,

On August 19, 2008 Common Council of the City of Saint, passed a unanimous motion to send a letter to Canada Post to express our opposition to the deregulation of the Canada Post Corporation. Further more, Common Council supported the public hearing process to afford citizens the opportunity for full public consultation prior to any decision being made regarding deregulation.

**15.1 Strategic Review of Canada Post**

On motion of Councillor Titus  
Seconded by Councillor McGuire

RESOLVED that Council send a letter or submission to the Canada Post Corporation Strategic Review opposing deregulations of Canada Post and insisting that the government hold public hearing and properly consult with the true owners of Canada Post – the public.

Question being taken, the motion was carried.

Sincerely,

A handwritten signature in cursive script that reads "Joan Court".

Mayor of the City of Saint John
