To Whom It May Concern:

RE: Canada Post Review

At a regular meeting of Council on July 11th the following resolution, being No. 195-08, was passed:

"Whereas the Canada Post Corporation Strategic Review, which was launched by the federal government on April 21st, 2008, is looking at deregulation our public post office;

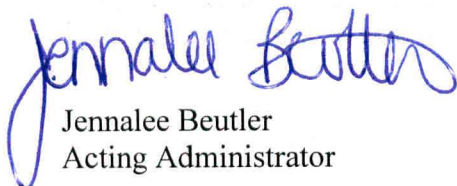

Whereas it will become increasingly difficult for our public post office to provide affordable service to everyone, no matter where they live, if the government erodes or eliminates the very mechanism that funds universal postal service – the exclusive privilege;

Whereas postal deregulation in other countries has led to post office closures, less service, fewer jobs and higher postal rates for the public and small businesses;

Whereas the government is not holding public hearings as part of its strategic review or adequately consulting with the real owners of the post office – the public;

Be it resolved that the R.M. of Silverwood send a letter to the Canada Post Deregulation Strategic Review opposing the deregulation of Canada Post and insisting that the government hold public hearings and properly consult with the true owners of Canada Post – the public."

Yours truly,
