Re: Submission to Strategic Review Panel

Council for the District of Sparwood received a letter from CUPW regarding the review being undertaken on deregulation of the postal system.

Council passed a resolution at their July 7, 2008 Regular Meeting to send a submission, opposing the deregulation of Canada Post and requesting that the government hold public hearings and properly inform and consult with the true owners of Canada Post – the public.

Small communities such as ours are particularly susceptible. Affordability and access to all citizens are our primary concerns.
