Canada Post Corporation Strategic Review
330 Sparks Street (HCCR)
Ottawa ON K1A 0N5

Dear Sirs/Madams:

Re: Canada Post Strategic Review

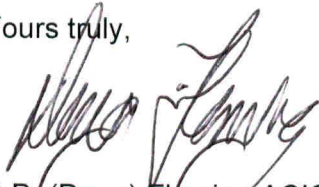

I have been requested to write to you on behalf of the Council of the Village of Valemount, British Columbia to express opposition to any plans for deregulation of Canadian Postal Service.

You will likely receive many expressions in support and in opposition to any concepts for deregulation of this service. Our experience has been that while privatization efforts create initial savings for government, in the long term it generally leads to a "race for the bottom" with lower pricing normally resulting in lower servicing levels.

We currently utilize our local Post Office (single service outlet in our small town) for regular outgoing mail service, special mail deliveries, community mail drops and of course receipt of incoming mail.

We hope that your efforts might be directed to Canada Post service enhancements as opposed to deregulation.

Yours truly,

D.B. (Doug) Fleming ACIS, CMC
