To Whom It May Concern

The Rural Municipality of Wilton #472 Council has reviewed your concerns regarding the federal government looking at deregulating our public post offices.

We understand the importance of the public post office and oppose to deregulation of Canada Post and insist that the government hold public hearings and properly consult with the public on issues at hand.

Any further questions, please feel free to contact myself at 306 387-6244.

Thank you,
